

# YOUR ITINERARY

---

Aug 11: Vancouver. Fly to Vancouver and check into your hotel for the night.

Aug 12: Vancouver. Today we board the Royal Caribbean Radiance of the seas for our cruise to Alaska!

Aug 13: Inside Passage: The Inside Passage embodies the best of Alaska's pristine nature and rugged beauty. The wildlife, rainforest shrouded in mist, magnificent fjords, and the majesty of the Hubbard Glacier are among the many photo ops.

Aug 14: Juneau. Surrounded by fjords, forests, and snow-capped mountains, Juneau is one gorgeous state capital. Its historic downtown harkens back to its gold-rush origins and you can still pan for gold.

Aug 15: Icy Strait Point: Icy Strait Point is located near the city of Hoonah, the largest native Tlingit Indian settlement in Alaska. Locals share the sea with humpback whales, orcas, Dall porpoises, seals, sea otters, halibut, and all five species of Pacific salmon.

Aug 16: Sitka. Sitka's small-town appeal stems from a unique blend of Russian,

Tlingit and American history. Its snow-capped peaks and volcanic Mount Edgecumbe pose among the state's most postcard-worthy scenes. And its rare wildlife astounds, from Saint Lazaria Island's orange-beaked puffins to Alaska Maritime Refuge's 40 million seabirds. This is off-the-path Alaska, where you can kayak Sitka Sound alongside swimming sea otters or fly-fish for the world's biggest halibut. In Sitka the midnight sun never sets on an adventure.

Aug 17: Skagway. When gold was discovered in the Klondike region of the Yukon Territory, it resulted in the historic Gold Rush of 1898. As thousands of gold-crazed adventurers sought the best starting point for their arduous trek, they found the deepest penetration possible by boat was at the northern tip of the Lynn Canal. This is how Skagway was born!

Aug 18: Hubbard Glacier: Hubbard Glacier is 76 miles long, 7 miles wide, and 350 feet above the waterline where it meets the bay. Watch as massive chunks of ice crash into the bay, a process known as calving that the Tlingit people call "White Thunder."

Aug. 19: Seward/Talkeenta: Today you begin the land portion of your trip! Enjoy a scenic drive in your deluxe motorcoach to the Alaska Wildlife Conservation Center to visit the animals under expert care. Enjoy a stroll and lunch on your own during the stop in downtown Anchorage before traveling

further into the interior. From 4:30 p.m., your time in Talkeetna is your own. A stroll down the historic main street reveals this funky town's singular mix of lively brewpubs, roadhouse restaurants, welcoming cafes, and unique local shops. Overnight at the Talkeetna Alaskan Lodge.

Aug 20: Talkeetna/Denali. • Take in the mountain views on the drive to Denali. Experience the untamed beauty of Denali National Park on the Denali Natural History Tour, while scouting the tundra and forest for wildlife with a park ranger. After your tour, Denali is yours to explore. Hike the scenic trails that surround the lodge. Or book an optional excursion, like flightseeing or rafting on the Nenana River. Overnight at Denali Park Village.

Aug 21: •The morning is open for optional excursions, with a guided wilderness hike and meeting the sled-racing dogs of the Husky Homestead among the possibilities. Board the glass-domed railcars of the Wilderness Express® train for your journey to Anchorage. From 8:30 p.m., you're free to explore Anchorage and its vibrant city life. Enjoy a romantic dinner or stroll an urban trail in the evening sunlight. Overnight at the Anchorage Marriott.

Aug 22: Home. After an incredible experience in "The Last Frontier," you will board your flight for home!
